## 1. Video transcript

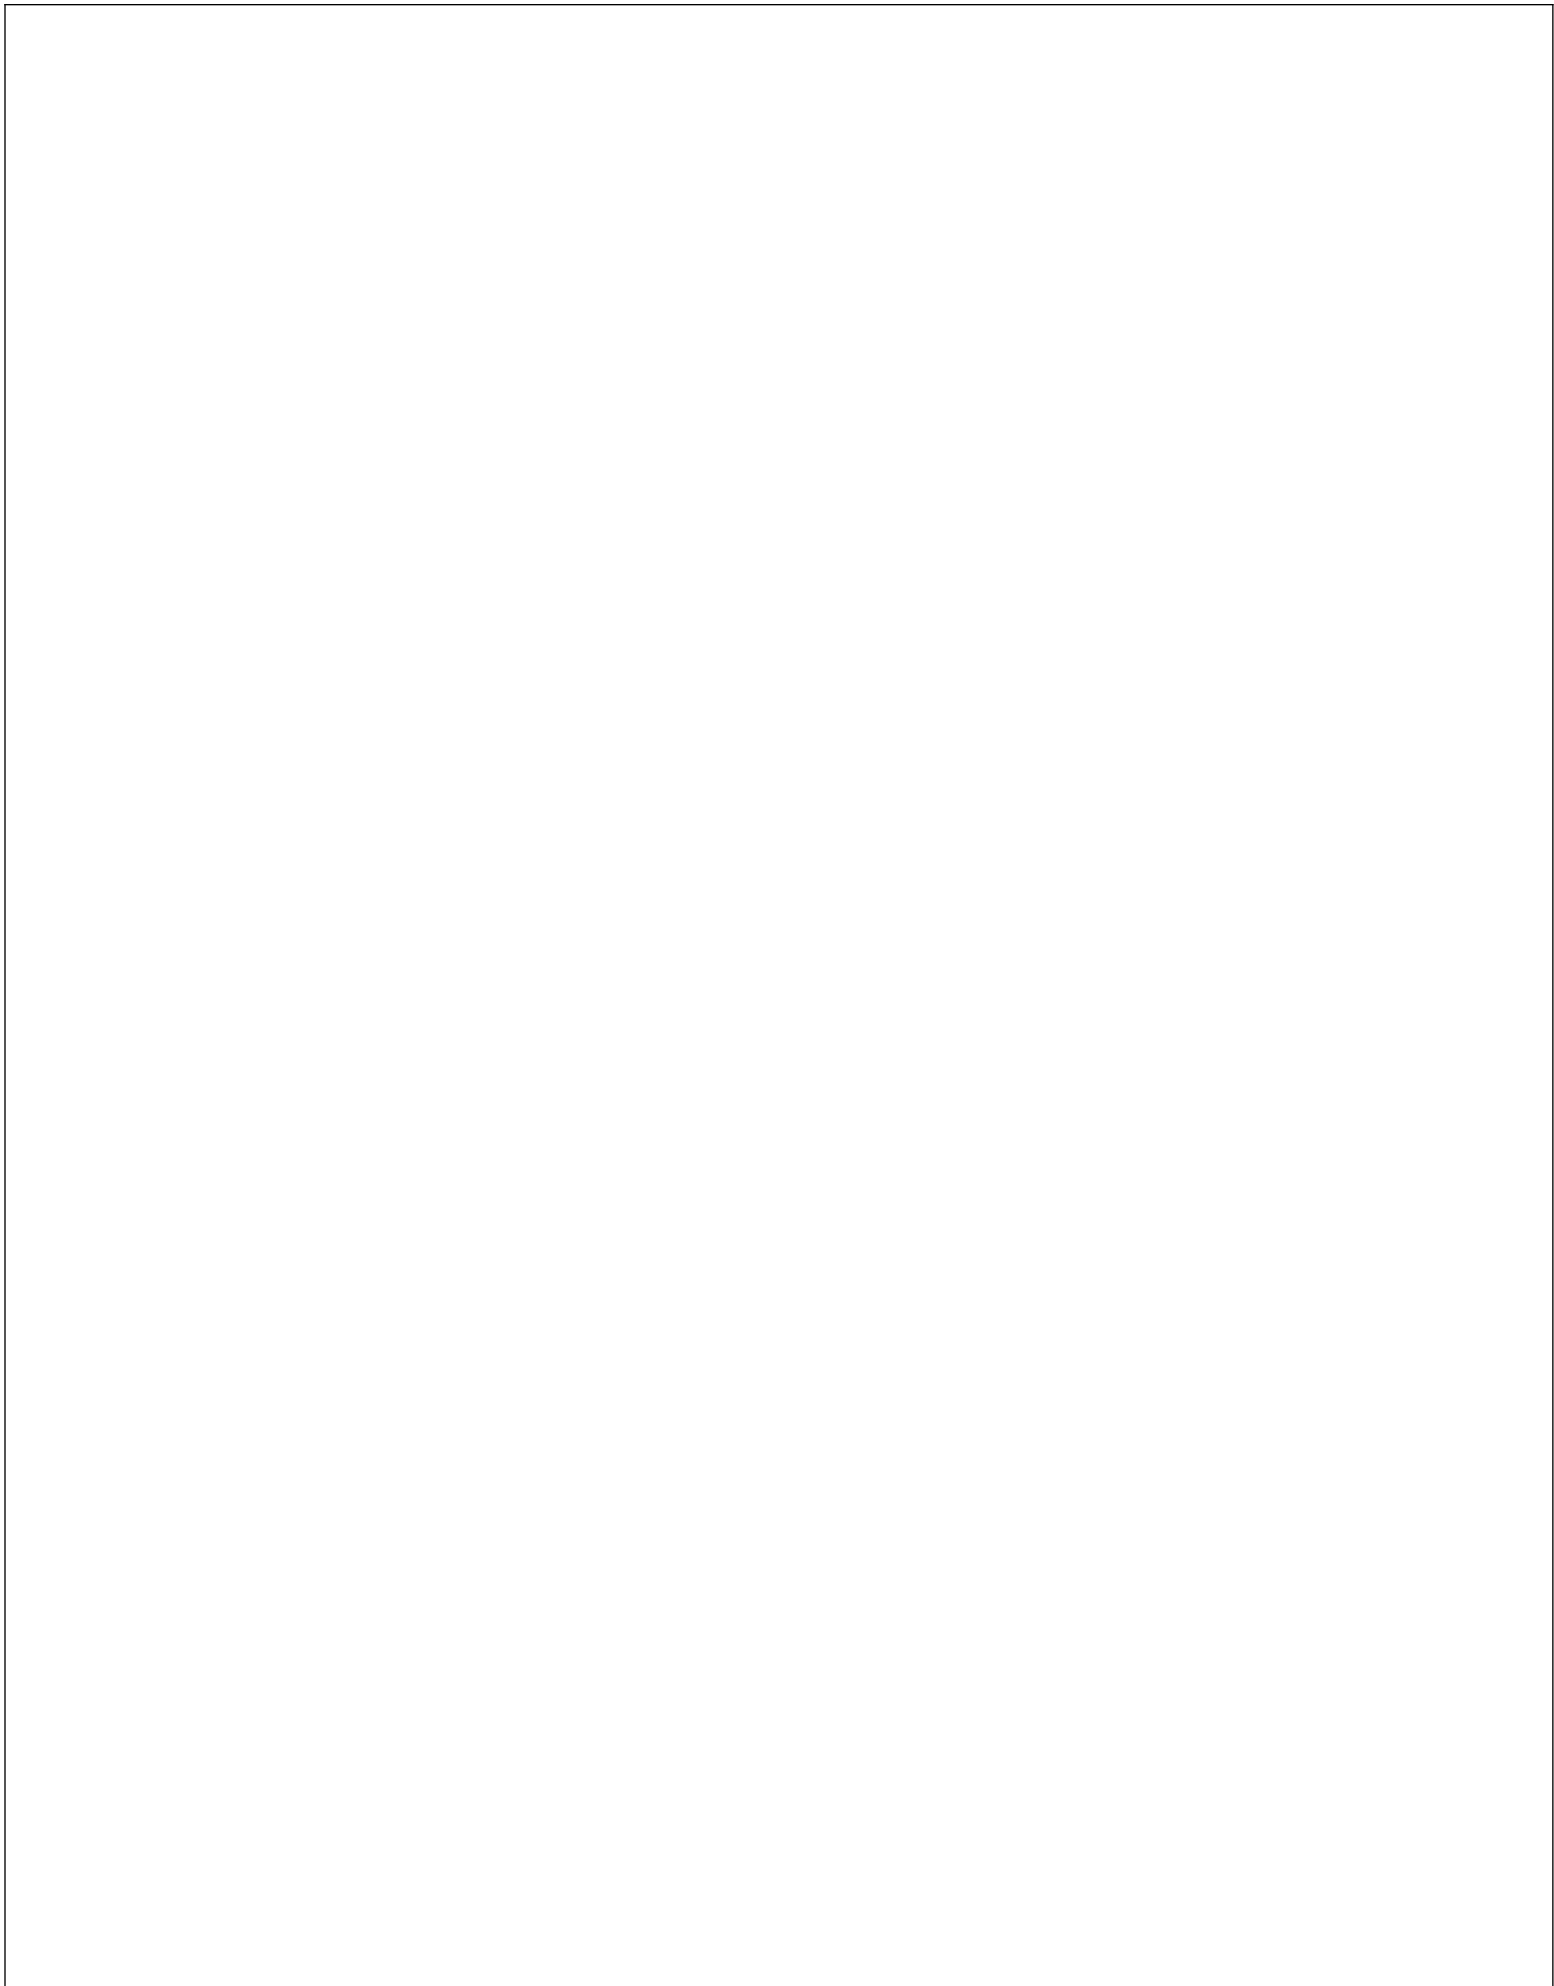

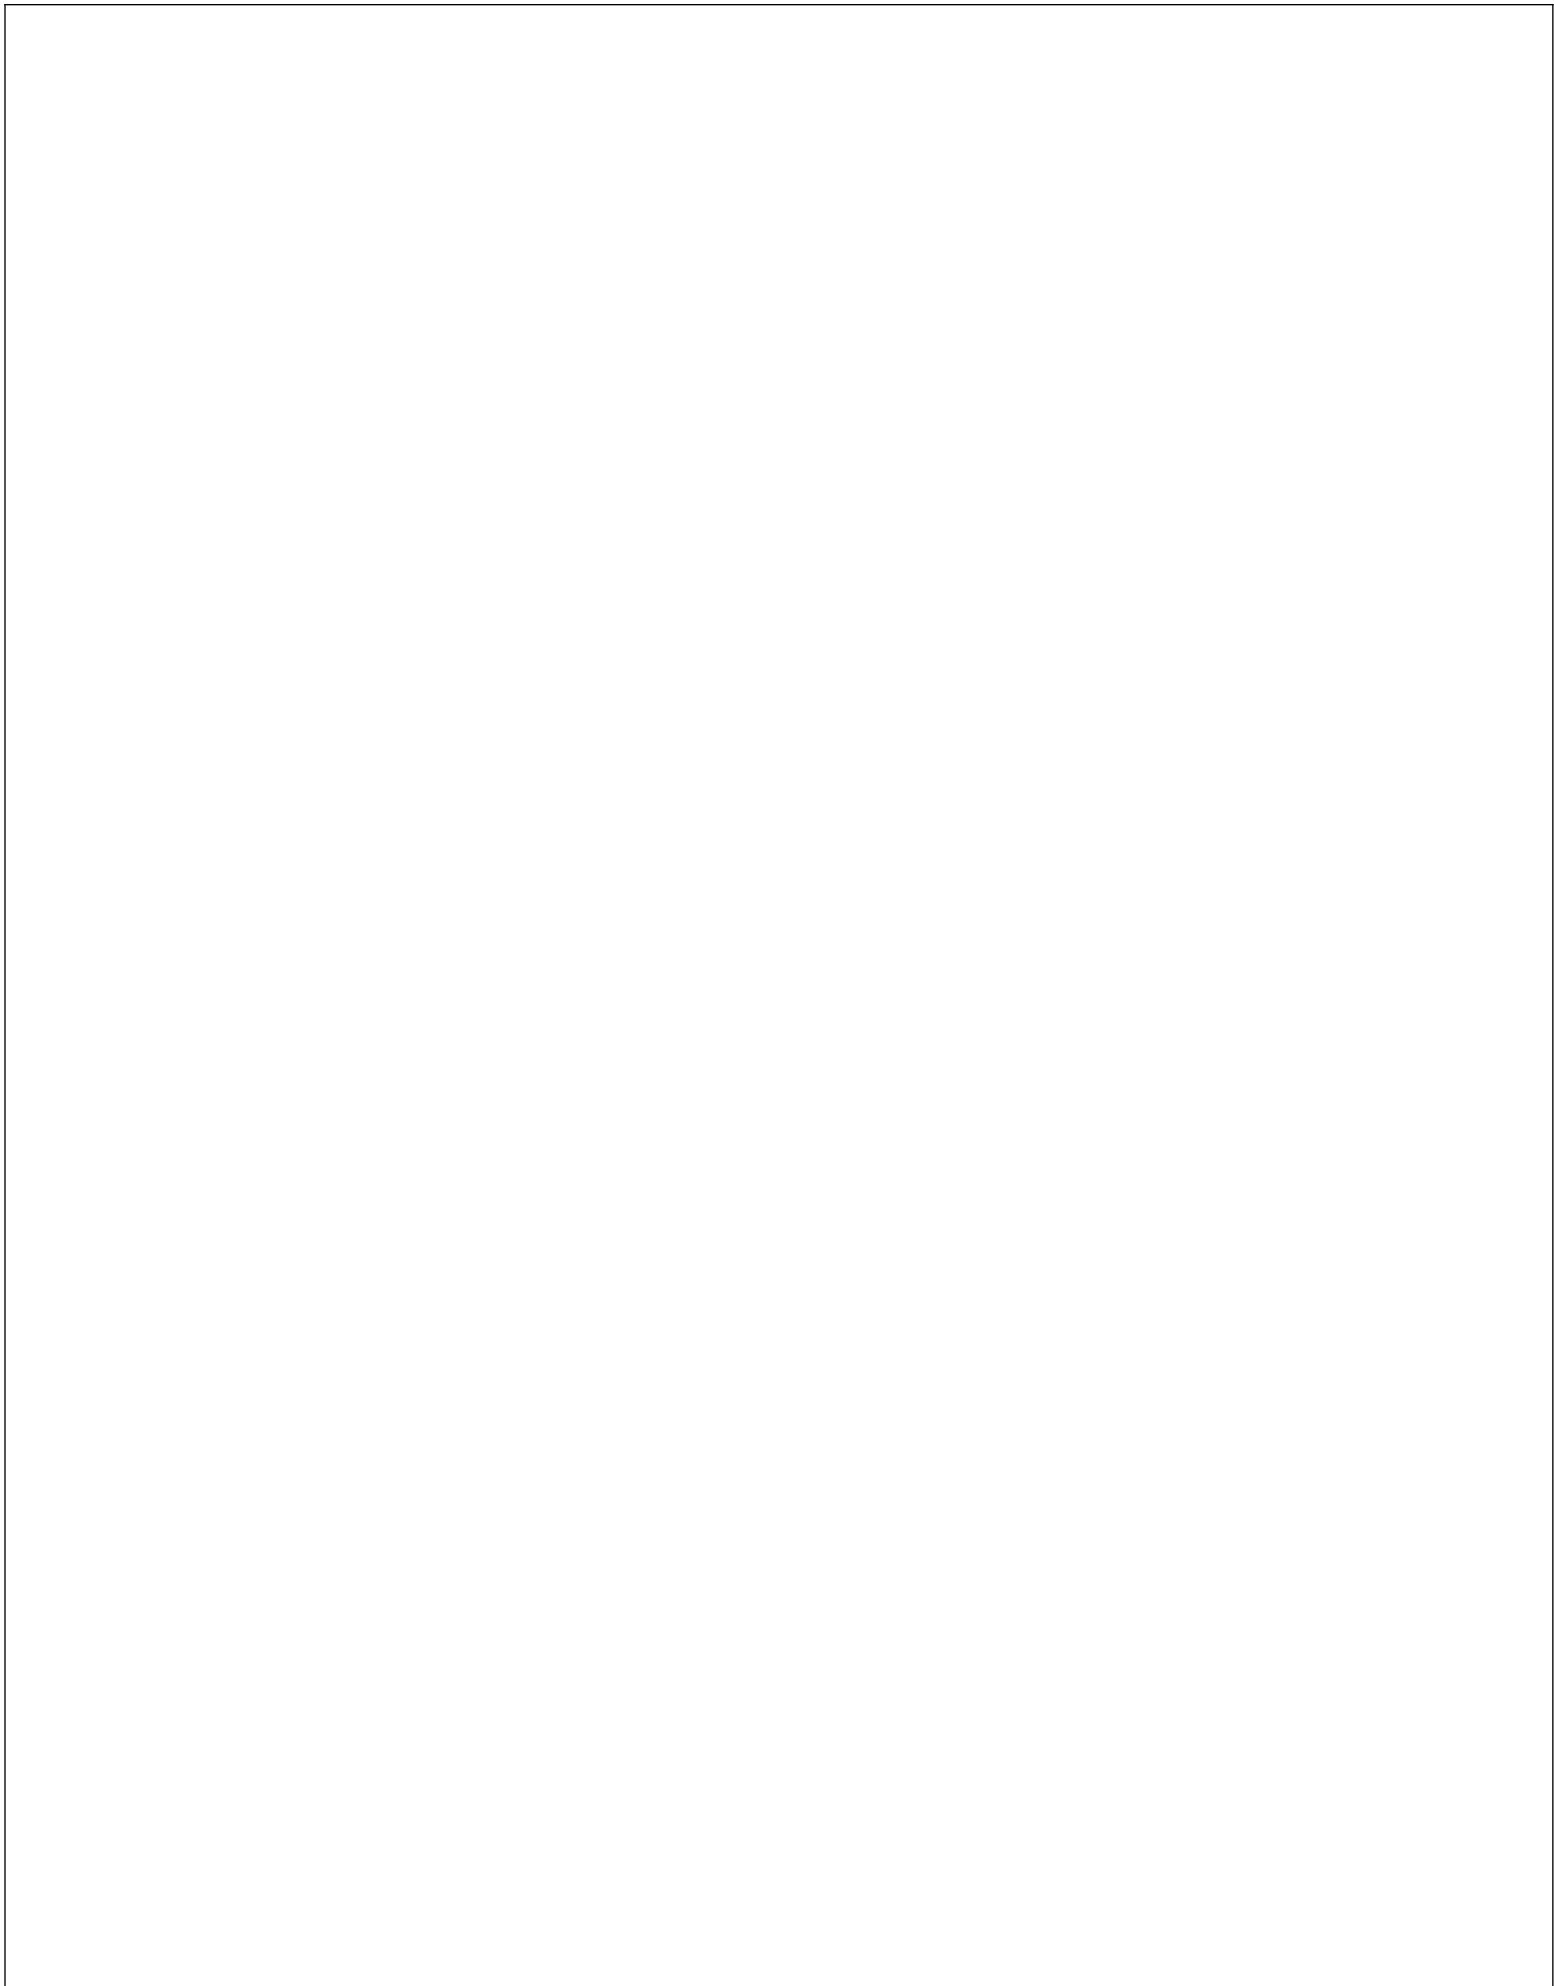

# 1. Usability problems

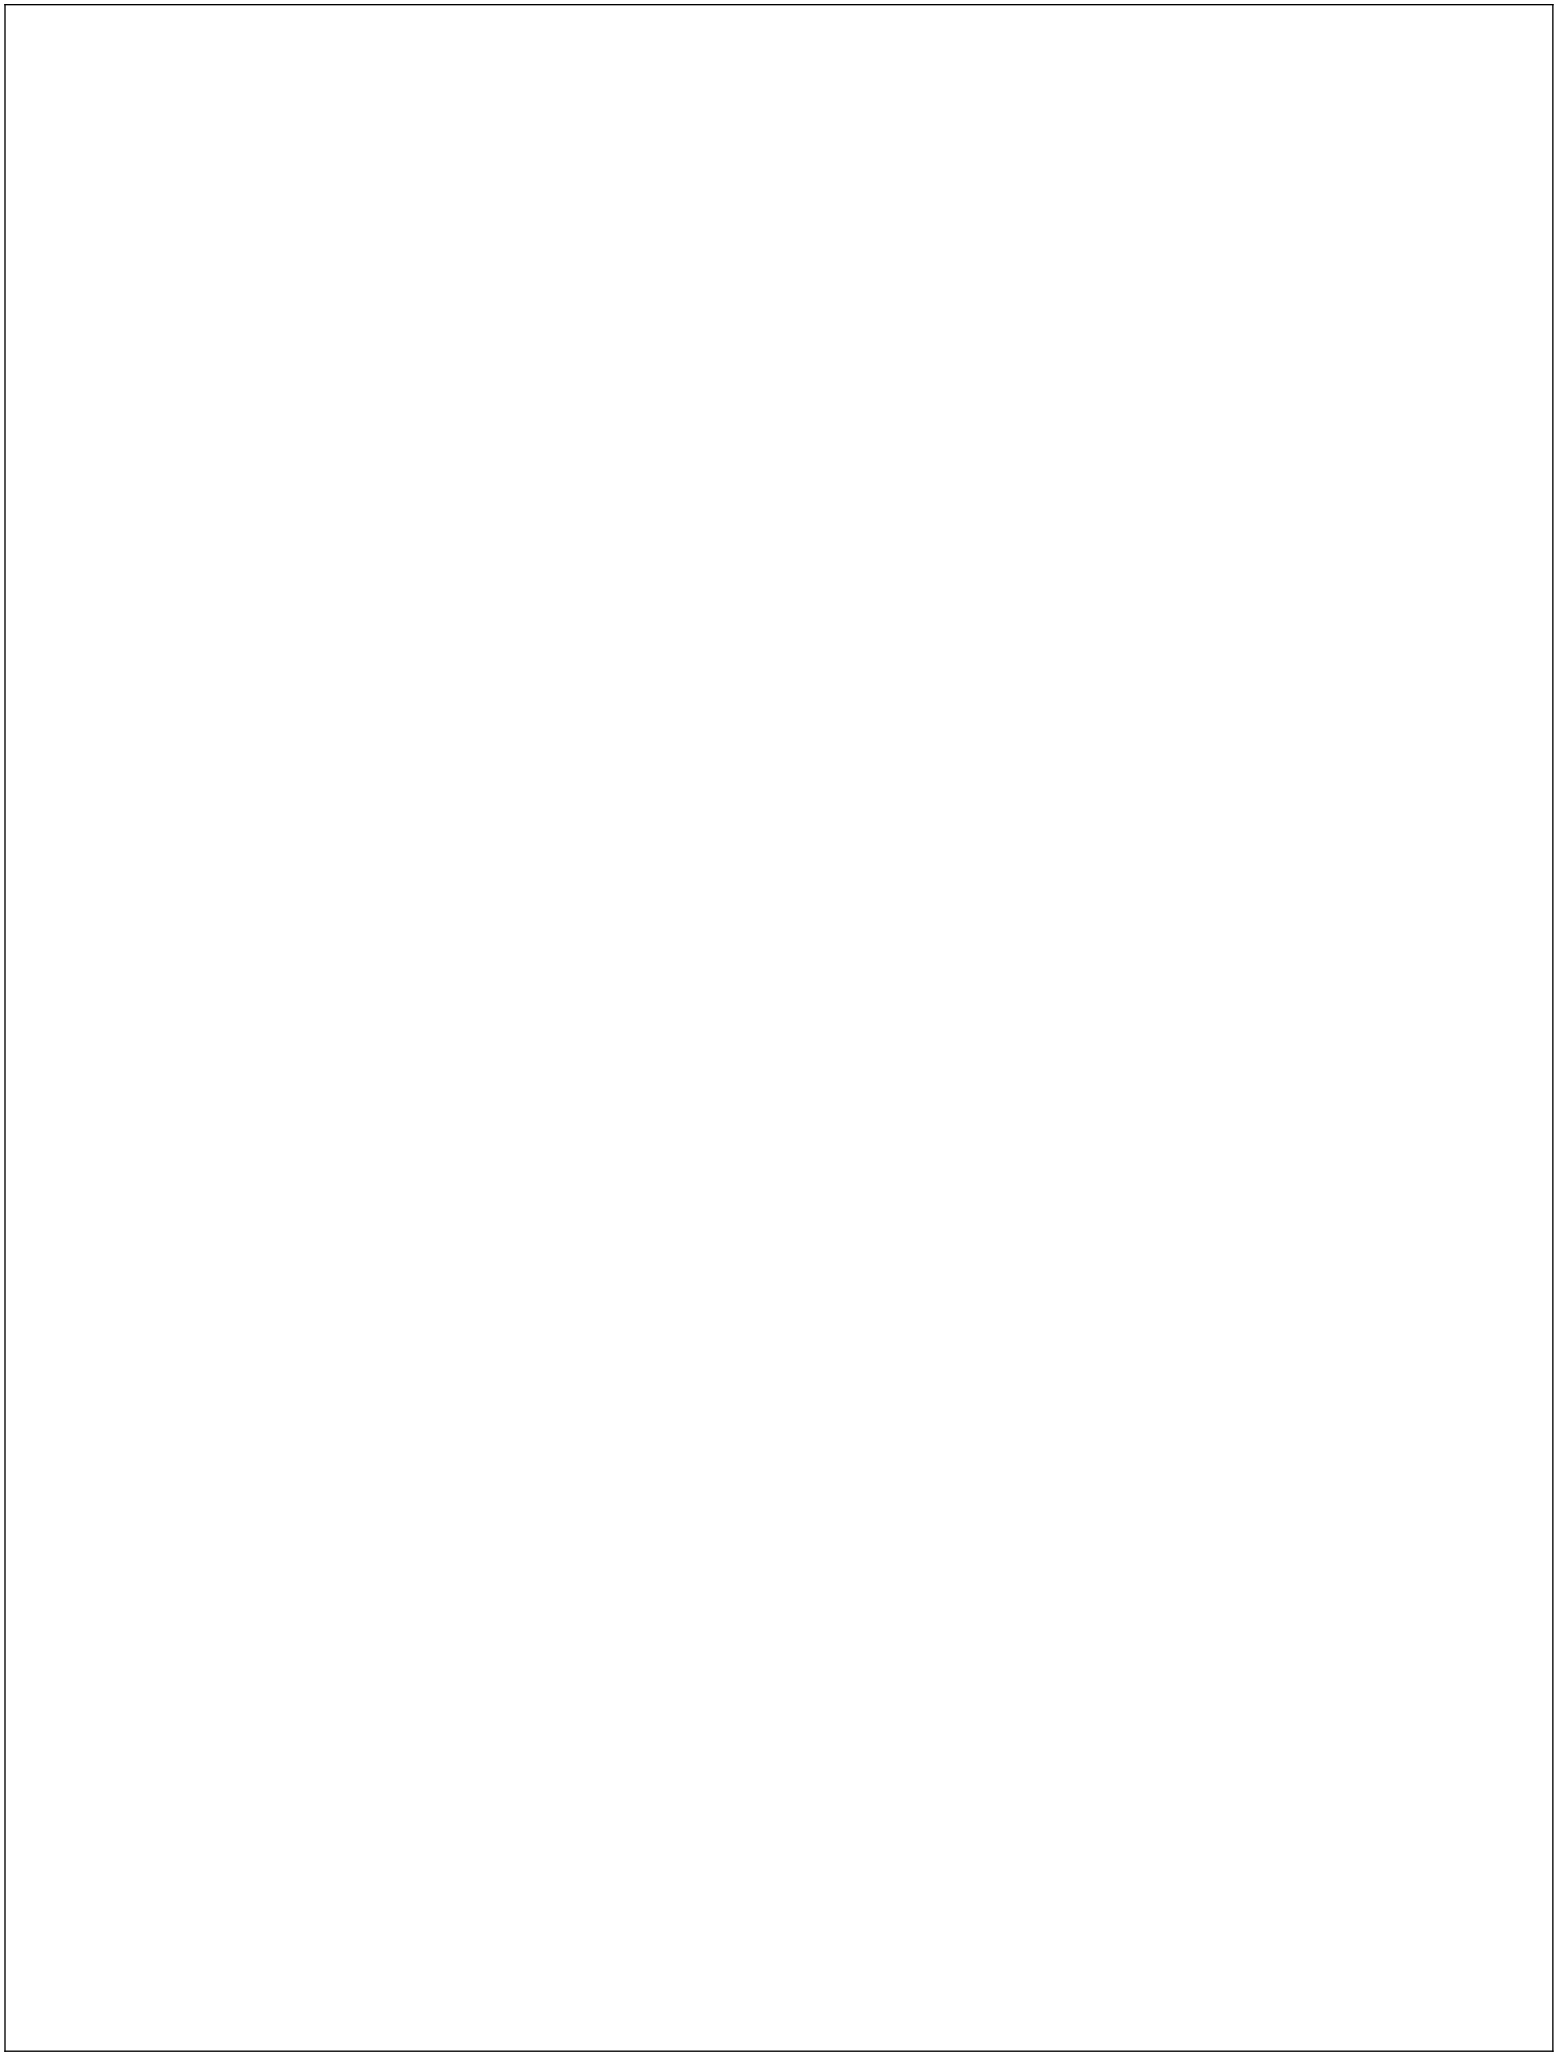

| Problem Identified | Severity (High / Medium / Low) |
|--------------------|--------------------------------|
| •                  |                                |
| •                  |                                |
| •                  |                                |
| •                  |                                |
| •                  |                                |
| •                  |                                |
| •                  |                                |
| •                  |                                |

03. **Variants of the interfaces**

| IT Number  | Interface name | Version 01 | Version 02 |
|------------|----------------|------------|------------|
| IT20657864 |                |            |            |
|            |                |            |            |
|            |                |            |            |
| IT20665852 |                |            |            |
|            |                |            |            |
|            |                |            |            |
| IT20667078 |                |            |            |
|            |                |            |            |
|            |                |            |            |

|            |  |  |  |
|------------|--|--|--|
| IT20655716 |  |  |  |
|            |  |  |  |
|            |  |  |  |
| IT20656874 |  |  |  |
|            |  |  |  |
|            |  |  |  |

**Justification of the variants**

## **Ideation techniques used**

## **How the best design was selected**

## **Time schedule (Gantt chart)**

## **References**

## Appendix
